PAPA M SANOGO

has successfully completed the online, non-credit Specialization

Introduction to Teaching English Learners

Introduction to Teaching English Learners is a specialization intended for educators in the beginning stages of their careers (i.e. 0-3 years experience) or who are new to working with English learners. By completing these 3 courses, learners will be better prepared to serve the English learners in their classrooms through sheltered instruction principles, culturally responsive teaching methods, integrating educational technology, and understanding the unique challenges faced by this group of students.
